Our Aims are:

- To enhance the development and education of children under statutory school age in a parent-involving, community-based group
- To provide a safe, secure and stimulating environment
- To work within a framework that ensures equality of opportunity for all children and families.

We Offer Your Child:

- A specially tailored curriculum leading to approved learning outcomes
- Individual care and attention made possible by a high ratio of adults to children
- Fun and friendship with children and other adults
- The support of a personal key worker
- Opportunities for you and your family to be directly involved, in the activities of the group and in your own child's progress.

Our pre-school offers education and care for children aged rising 3 to 5 years.

Session/Hours: -

Open 9.00am until 3.15pm

Monday to Friday term-time only (38 weeks per year).

Session choice options are:

Morning - 9.00am to 12noon

Afternoon - 12.15pm to 3.15pm

All-day - 9.00am to 3.15pm

A lunch box must be supplied from home if a child attends all day session.

No lunch box is required for Morning or Afternoon sessions, as snack is provided in sessions. Children coming into the afternoon session to eat lunch at home before arriving.

Subject to availability, we endeavour to offer the maximum free childcare entitlement per week, 15 hrs or 30 hrs, dependent upon the child's eligibility of entitlement.

Places start from the beginning of the term of a child's 3rd birthday, as we do not have availability or facilities to offer places any earlier.

The snacks we provide during all sessions include something for energy such as crackers, breadsticks, bread, crumpets for example, as well as fruit. Milk and water are always available too. Children's allergy and dietary requirements are requested on the enrolment form, to be listed and adhered to.

We may have children with nut allergies attending our pre-school and therefore ask that no items with nuts as an ingredient are put in a child's lunch box. Also fizzy drinks, sweets and nut products are discouraged within pre-school and Hawkedon School.

We ask that you clearly name everything your child brings into pre-school, ie all their clothing, shoes, hat, gloves, coat, bag, lunchbox, etc; the pre-school accepts no responsibility for lost items.

Admissions

Our pre-school places start from the beginning of the term of a child's 3rd birthday, we do not have availability or facilities to offer places any earlier.

In allocating places to children on the waiting list, where the number of requests for places exceed the number of places available, the following criteria is taken into consideration: -

- 1) **Date of Registration** - Registration can take place from when your child is 18 months. Timely submission of registration forms is highly recommended. Registration forms submitted before the child is 18 months will be post-dated to the date the child is 18 months old.
- 2) **Designated Area** - Children whose home address is in the Hawkedon School designated area will be given priority over those in other schools' designated areas. Children with siblings attending Hawkedon School will also be considered with equal priority.

Admission to Earleybird Pre-School does not guarantee admission to Hawkedon Primary School. Earleybird admissions (Foundation Stage 1) are independently allocated by Earleybird Pre-School, whereas admissions to Hawkedon Primary School (Foundation Stage 2 and beyond) are allocated by Wokingham Borough Council.

Registration & Fees

There is no registration fee for a child to be placed onto our waiting list.

If a parent accepts an unfunded place offer, we request £20.00 registration fee for the unfunded place. There is no registration fee if a parent is accepting a funded place offer.

Unfunded hours fees will be invoiced (£7.00 per hour reviewed annually), invoices are half termly in advance.

Number of Hours available

We kept to a ratio one adult to 6 children. To ensure we can keep to this ratio and in line with our Ofsted registration, the maximum number of children attending at any one time in Starling Room is 30 and in Robin Room 18.

Subject to availability, we endeavour to offer the maximum free childcare entitlement per week, 15 hrs or 30 hrs, dependent upon the child's eligibility of entitlement.

Subject to availability, our earliest offer of a place will be for a child to start from the beginning of the term of their 3rd birthday. This term would be for unfunded hours, invoiced half termly in advance at £7.00 per hour; unless child is eligible for 2yr old government funding. We give the option for a place to be deferred to the start of term of the child's funding entitlement.

From the beginning of the term after your child 3rd birthday all 3 & 4 yr olds are entitled to 15 hrs free early years government funded education. Our offer of a placement is for funded children up to the maximum entitled, subject to capacity/availability.

All 3 & 4 yr olds are entitled to the universal 15 hrs free childcare per week; and this has been extended to eligible 2 yr olds. The Government provide an extended 15 hrs for 3 & 4 yr old working parents, available for families where both parents are working (or the sole parent is working in a lone-parent family), and each parent earns the equivalent of 16 hrs a week at the national minimum or living wage, but less than £100,000 a year. Families who wish to claim the Extended Entitlement for Working Parents can access the application process through the childcare choices website – www.childcarechoices.gov.uk

For any child allocated a place using Extended Entitlement for Working Parents; if entitlement ceases during their attendance with us, a parent must contact us to discuss options to continue, invoiced @ £7.00 per hour. (Hourly rate reviewed annually)

Once a place is confirmed between the parent and pre-school, we are unable to guarantee any increase or swap to sessions during an academic year. And we do not offer extra paid sessions on an ad hoc one-off basis.

Please note our Policy Document statement: “Once the pre-school has received written reply for a place from the parent, we require reasonable notice of at least a half term of any changes to hours. In order for the pre-school to maintain its sustainability, we reserve our right to invoice for sessions if they are firstly accepted but not taken without giving a reasonable notice period as this has an impact on staffing, other parents, children, funding and long-term sustainability of the Pre-School.” This will apply to your child after we confirm the place to you in writing and continues for all the time your child attends our pre-school. Therefore, please contact us immediately if you have any changes to be made to your child’s place or sessions attended.

Starting Pre-School

Session Fees

Unfunded sessions are charged @ £7.00 per hour (reviewed annually by the pre-school Committee). Unfunded session hours are payable in advance, half termly for 2 yr olds & termly for 3 & 4 yr olds. Fees will continue to be payable if a child is absent without notice or for a short period of time. In cases of prolonged absence, parents should consult the management/committee about fee payment. Each child’s attendance at the pre-school is conditional upon continued payment of any necessary fees and/or eligibility for free Early Years Education funding from Wokingham Borough Council.

Home Visits

We offer every family a short 10/15mins home visit in addition to their visits to the pre-school before starting with us. The home visits provide opportunity for you to discuss any concerns or questions you may have in your own environment and is a chance for the child to meet us in their own, safe, environment. We believe they have been very useful in helping children settle into pre-school as the child remembers the adults from their home visit and talks to us about the toys they played with at home when the adult was there.

The first days

We want children to feel safe and happy in the absence of their parents, to recognise other adults as a source of authority, help and friendship and to be able to share with their parents afterwards the new learning experiences enjoyed in the pre-school. A happy introduction to the pre-school is very important. To begin with, you will be offered a short visit, which you should attend, with your child so that you both get to know the people there and how the group operates. If your child sees that you are friendly with the staff and helpers, they will soon become his/her friends too.

When your child first starts, be prepared to stay for as long as he/she needs you, joining in all pre-school activities. Having you there will give your child confidence in his/her new surroundings. Let him/her take his/her time to establish contact with the children and the adults and he/she will be happy to let you go home and leave him in his/her pre-school.

Together, you and the play leaders can decide when he/she is ready to be left. If he/she can settle gently and happily into pre-school, he/she will gradually grow into a confident and independent child. Children cannot play or learn successfully if they are anxious and unhappy. Our settling procedures aim to help parents to help their children to feel comfortable in the pre-school, to benefit from what it has to offer, and to be confident that their parents will return at the end of the session.

What to wear

Uniform was introduced as part of becoming a Foundation Partnership. The intention is that there is no distinction between the clothing worn by children throughout the pre-school. It is intended to help all children feel a sense of belonging, regardless of age.

The uniform is as listed below:-

**red or green top, with red or white polo shirt
& black or grey bottoms
or red/white or green/white summer dresses**

Parents who wish to buy polo shirts, jumpers or cardigans with logos can order via the Hawkedon School Website: <https://www.hawkedon.wokingham.sch.uk/the-school/school-life/uniform> Click on the Brigade link and type in Hawkedon School. Please note Brigade have Earleybird pre-school uniform listed under 'Hawkedon Nursery'

Alternatively, many local supermarkets sell school uniform.

A spare set of clothes, including shoes, should be provided in their own bag. For toilet accidents and for after water play/muddy area play activities. The pre-school does not always have enough spare clothes when needed. And in their bag, please provide a spare plastic/carrier bag to be used to send home the changed clothing.

It is extremely important that all clothing items are clearly named; the pre-school accepts no responsibility for lost items.

Curriculum

Within the group, all children are supported in developing their potential at their own pace. Our key worker system enables us to ensure a planned curriculum tailored to the needs of each individual child. By means of developmentally appropriate play activities and a high level of individual adult input, we offer a curriculum which leads to nationally approved learning outcomes and prepares children to progress with further in the curriculum when they move on to School.

Personal, Social and Emotional Development

Within a nurturing environment, children are individually supported in developing confidence, autonomy and self-respect. They are encouraged to work and concentrate independently and also to take part in the life of the group, sharing and co-operating with other children and adults. Through activities, conversation and practical example, they learn acceptable ways to express their own feelings and to have respect for others. All children are given the opportunity, as appropriate, to take responsibility for themselves and also for the group, its members and its property.

Communication and Language, and Literacy

In both small and large groups, children are encouraged to extend their vocabulary and fluency by talking and listening, and by hearing and responding to stories, songs and rhymes. Children are helped to understand that written symbols carry meaning, to be aware of the purposes of writing and, when they are ready, to use drawn and written symbols for themselves. A well-stocked book corner gives every child the opportunity and encouragement to become familiar with books, able to handle them appropriately and aware of their uses, both for reference and as a source of stories and pictures.

Physical Development

A range of equipment and opportunities, both indoors and outdoors, allows children to develop confidence and enjoyment in the use and development of their own bodily skills. A very high level of adult supervision enables children safely to create and meet physical challenges, developing increasing skills and control in moving, climbing and balancing. At the same time, children are supported in the development of the fine motor skills required to use tools, including pens and pencils, and to handle small objects with increasing control and precision.

Mathematics

By means of adult-supported practical experience, children become familiar with the sorting, matching, ordering, sequencing and counting activities which form the basis for early mathematics. As they use their developing mathematical understanding to solve practical problems, children are assisted to learn and use the vocabulary of mathematics, identifying objects by shape, position, size, volume and number. Songs, games and picture books help children become aware of number sequences and, where they are ready, to use simple mathematical operations such as adding.

Understanding the World

A safe and stimulating environment allows children to explore and experiment with a range of natural and manufactured materials. They learn to observe the features of objects and substances, recognising differences, patterns and similarities, and to share and record their findings. Children are assisted in exploring and understanding their environment, both within the group and also in the wider community. A range of safe and well-maintained equipment enables children to extend their technological understanding, using simple tools and techniques, as appropriate, to achieve their intentions and to solve problems.

Expressive Arts and Design

Children are encouraged to use a wide range of resources in order to express their own ideas and feelings and to construct their individual response to experience in two and three dimensions. Art equipment, including paint, glue, crayons and pencils, as well as natural and discarded resources, provide for open-ended exploration of colour, shape and texture and the development of skills in painting, drawing and collage. Children join in with and respond to music and stories, and there are many opportunities for imaginative role play, both individually and as part of a group.

On-line Learning Journeys

Each family will be given an on-line log-in for their own child's online learning journey, which is accessible while they are at pre-school. These online learning journeys are a celebration of the child's achievements. Parents are encouraged to add comments and photographs such as "Freddie sang the ABC song to us at bedtime" or "Sarah put her wellington boots on today for the first time all by herself" as some examples of useful contributions which help us plan for their development.

When to contact us

On the enrolment form we ask parents to inform us of adults they give permission to accompany their child to and from Pre-school, and we will only allow a child to go with an adult with this permission in place. Therefore, if someone else is collecting him/her at the end of the session, you must contact us to inform us. We have a password system in place, and all adults collecting a child must be able to tell us their password.

All absences must be reported to pre-school; if a child is unwell you must inform of the nature of their symptoms/illness. It is important to notify the pre-school if your child contracts any infectious disease, especially German Measles. And children must be kept away from pre-school for 48 hours after recovery from vomiting/diarrhoea.

Parent Session Rota

Research shows that children learn better when their parents/carers are involved. Our rota system involves parents/carers who wish to come into a session once a half term. To give parents the opportunity to take an active part in the group to see what happens there and to talk about it afterwards with their child. In addition, the rota system provides a valuable opportunity for all children to see their own parents/carer in a new role.

The Pre-school Learning Alliance recognises parents as the first and most important educators of their young children. Our pre-school aims to support parents. Parents are welcomed:

- To work in the group with children
- To assist with fundraising
- To take part in the management of the pre-school
- To represent the pre-school at branch and county activities of the Pre-school Learning Alliance
- To attend open meetings of the Pre-school Learning Alliance
- To share their skills with the group

You are always welcome, for parents are as much a part of pre-school as their children. Mothers, fathers, grandparents and childminders can ask for a rota session.

There are jobs that always need doing, and many children enjoy having the company of an adult to play and talk with. It is important for your child that you take an active part in Pre-school in any way you can, so that he/she feels that you too are part of Pre-school. You may be able to share a special skill or interest such as music, carpentry, cooking or animals with the children. The need for money is an ever pressing one in most groups and your help is also needed with fundraising events. When you help at pre-school you may find your child wishes to stay beside you for a while. This is quite natural behaviour for a child who suddenly finds he/she has to share his/her mum (dad, or carer) with all the other children. Please accept it. He/she may take a little time to get used to this.

Policies

Our policy statements are displayed on our notice board and they may also be requested from pre-school. The full policy document is issued when the child starts pre-school. All our policies are designed to offer the best possible experience for the children and families in the group. Our policies are reviewed on a regular basis and comments and suggestions from parents are always welcome.

Special Needs

Each child is able to progress at his/her own rate in all areas of development, and this is true for children with and without disabilities or learning difficulties. We are experienced in working in close liaison with professionals across a range of special needs. If you would like to discuss the group's ability to meet your own child's special needs, please talk to our Manger, Room Lead Supervisor or your child's Key Person. Our full special needs policy is available at the pre-school.

Our Staff

Our staffing team is highly qualified with an Level 6 Manager, seven team members holding Level 3 Early Years qualification, one Level 2 Early Years qualification and one Level 3 Special Education Needs diploma. All staff hold up to date Safeguarding Children Universal and Paediatric First Aid Certificates. All staff have regular Manager appraisals to ensure their training and development needs are being met and their understanding of their role up to date.

All staff members play along with the children in the sessions, so that your child will get to know them really well. He/she will learn to trust all the other adults in the group and the good relationship he/she will develop with them will pay dividends when he/she meets new adults in the future.

At Earleybird Pre-School the staff team like to be called by their first names.

Management and Administration

HOW IS PRE-SCHOOL RUN?

Pre-school is run by its parents, who are voted into the Committee positions outlined below at the Annual General Meeting (AGM) each November. At least one quarter of all parents need to attend this meeting, otherwise any decisions made will be void and pre-school may not be allowed to continue until another AGM is held with the required number of people attending. The parents elected onto the Committee serve on a voluntary basis, doing this work in their own time. Committee meetings are held once a half term. Decisions about how pre-school is run, the employment of staff, all fundraising and budget matters are all dealt with by the Committee.

If you are interested in joining the Committee please contact the Co-Chairs.

We are fortunate enough at Earleybird to employ a dedicated Administrator, who ensures that there is continuity year to year with the important administrative roles.

POSITIONS WITHIN OUR PRE-SCHOOL COMMITTEE & HELPERS

Chair

Responsible for calling and planning all meetings, liaising with all members, Hawkedon School and Pre-school staff – encourages everyone to contribute ideas and suggestions, has authority to sign cheques together with the Treasurer or Administrator. Takes the chair at all meetings, both general and committee.

Secretary

Keeps records of all the meetings – works with the chairperson to organise agenda for meetings, and distributes minutes in advance of meetings.

Treasurer

Day-to-day book-keeping, keeps parents informed about money, reports to committee on state of accounts, pays all bills and distributes floats etc. The Treasurer is not involved with the wages or fees; these tasks are performed by the Administrator.

Fundraisers

Organises all fundraising events, e.g. Christmas Party, Easter Fayre, and Summer Fun-day as well as Book club, personalised T-towels or Placemats etc. with the joint help of the committee and all pre-school families

Washing Helpers

Washes materials used within the pre-school sessions, mostly tea-towels.

We have excellent links with Hawkedon School, and have established a Foundation Partnership with the school.

There seems to be so much to think about, but please do not be afraid to ask any member of staff about anything of interest or concern.

We hope that your child's time in pre-school will be a very happy and productive one. If you have any queries, or if we can be of any help, please contact the staff, committee/ management at any time via our Administrator, Ruth West, on e-mail at earleybird@weycp.org.uk or by telephone on 07986440308.

WE ARE A REGISTERED PRE-SCHOOL IN MEMBERSHIP OF THE PRE-SCHOOL LEARNING ALLIANCE.

The pre-school learning alliance, through its member pre-schools, is the largest single provider of pre-school education and care.

The alliance is a national educational charity committed to quality in early years education. Membership of the Pre-school Learning alliance ensures that we have:

- Friendly, practical and accessible information, advice and publications
- 20% on all Alliance publications.
- Individually tailored and competitive insurance, underwritten by Royal & Sun Alliance.
- A free and confidential 24-hour legal helpline, offering advice on matters such as employment, tax, VAT, leases and premises hire.
- Specialist training courses, delivered by experienced tutors, to develop skills
- Ten issues of *Under 5* magazine each year, plus a free special edition of *Children First* magazine.
- Generous discounts and preferential booking for all Alliance-run national events and access to support at a local level from regional networks.
- An opportunity to receive gifts for our setting and parents, including the family chequebook filled with competitions and discounts.

Pre-School Learning Alliance 2005

Registered as an Education Charity
